

Welcome to the 66th Annual NMAFP Family Medicine Seminar!

We are so excited to have you join us. Below is some key information for you.

In an effort to decrease waste, the majority of our **handout materials are digital** this year. You may download or view it by visiting our website **www.familydoctornm.org** and clicking on this seminar at the top of the page. If you provided your email when you registered, an email was sent out with this information as well.

The most up to date **schedule of lectures and events** is printed on the reverse side of this paper.

If you are an NMAFP member you can vote for upcoming officers. On Friday, July 26, **ballots for the 2024-2025 officers** will be handed out as you leave for the 12:00 pm lunch break. Ballots will be collected when you return to the Lecture Hall. The results will be announced during the Awards Dinner that evening, and John Cullen, MD, AAFP Past Board Chair & Honored Guest, will induct the new NMAFP Officers.

You indicated whether you would attend the **Thursday and/or Friday dinner** when you registered for the conference. Instead of giving you the dinner ticket(s), you will check in at the door for the dinner as you enter the room each night. Additional meals for guests may be purchased at the registration desk.

A **free raffle** entry form is included in your hard-copy handouts. In order to enter, please visit each exhibit booth and get a signature. Exhibitors leave after the Friday afternoon break. Turn in your completed form to the registration desk by Friday at 5:00 pm in order to enter. You must be registered and present to win. The Free Raffle drawing will take place at 5:30 pm on Saturday.

At the end of the conference, please fill out the online **conference evaluation survey**. Responses are anonymous. NMAFP appreciates you taking the time to critique the conference, and we read every response. This information is very useful when planning future conferences. The link to access the form is **www.familydoctornm.org/evaluation** and you may access this page directly from our website also.

A Certificate of Attendance for the 66th Annual Family Medicine Seminar, approved by AAFP and worth 21.00 Live Prescribed credits, is available online and was emailed if you provided your email during registration. A list of all AAFP members attending the seminar will be sent to the AAFP Contact Center to report the 21.00 Live Prescribed credits. Make sure to initial the **CME Sign-in Sheet** at the Registration Desk next to your AAFP ID number. This is one of the main benefits of membership – you don't have to report your CME to AAFP because NMAFP will do it for you. This includes members from all chapters attending this Conference. If you are not an AAFP member, you are responsible for reporting your own CME. The Certificate of Attendance has the name and date of our conference, and the total number of CMEs offered.

Thank you for attending! We hope to see you at future events!

THURSDAY, JULY 25

8:00 a.m. Registration, Exhibits
Open, Breakfast - Exhibit Hall

8:50 a.m. Introduction & Welcome
by Lisa Stolarczyk, MD, Scientific
Program Chair
